

CareER is a charitable organization providing holistic career development and peer-community support to tertiary-educated students and graduates with any type of disabilities and special educational needs (SEN).

- CareER provides inclusive employment training and job-matching services for both employers and candidates with disabilities/SEN. Its programs include Scholarships, Thriving Grass Career Development Programme, Accessibility Assessment, Inclusive Recruitment Fair, Disability Inclusion Index, and RunnERthon.

#### Social Impact:

- Fosters inclusive work culture and environment to support employment of people with disabilities
- Increases awareness, understanding and demand in this untapped talent pool
- Improves employers' readiness to adopt disability inclusion strategies and disability-hiring in the workplace
- Increases support and buy-in from senior management to implement disability inclusion initiatives
- Increases knowledge and insights sharing of industry best practices and trends in disability inclusion
